

Wio

If you make only the minimum repayment/payment each period, you will pay more in interest/fees and it will take you longer time to pay off your outstanding balance. Please refer illustration provided below.

AED 2,000 credit balance and no new transactions with an 39% annual rate, minimum payment of 5% of the balance, or AED 100, whichever is higher, would take 31 months or less than 3 years to pay off the outstanding

Please review this account statement and notify the Bank of any discrepancy within thirty (30) days of receiving it, failing which the account statement will be deemed to be correct (subject to the Bank's right to rectify any error) and accepted by you. This bank is licensed and regulated by the Central Bank of the United Arab Emirates.
